Brigitte, Sue,

the following is a list of what is in stock and in production as of today's date:

The only ones that I'm sure have new paperwork are:

D205-634-011 B27999 30263, 30509, 30511, 30513, 30514, 30515, 31056, 31057, 31058, 31060, 31061, 31062, 31063, 31179, 31180, 31181, 31182

D204-635-011 B29665 ○ MEANS THEY HAVE NEW FAA STC 07.04.26

I believe that anything with a batch higher than 31056 for any of these skidtubes will have the new paperwork, anything under that number other than those mentioned immediately above will need new paperwork just to be safe.
